

## Enalia Physis Environmental Research Center

*Enalia Physis Environmental Research Centre* is a Cyprus-based non-profit organization established by a group of experienced scientists in 2009. Its purpose is to conduct and promote environmental research in marine and terrestrial ecosystems and to encourage and enhance education and ecological awareness of the general public. Cyprus, as the eastern Mediterranean in general, is in particular need of active NGOs who aim to become part of the decision making process of environmental policies in order to promote good environmental practices.

To apply for membership, please fill out the form below, and send it back with an abbreviated CV by:

**Mail:** Acropoleos 2, Aglantzia 2101, Nicosia, Cyprus  
or **Fax:** +357 22339959  
or **E-Mail:** [info@enaliaphysis.org.cy](mailto:info@enaliaphysis.org.cy)

A **yearly registration fee of €25** is required for your registration as an Enalia Physis member, payable in cash.

Additionally, new scientific members are **required to give a presentation** outlining their research activities and interests.
